Dear Friends and Donors,

The 2017 NSVI Mission to the Philippines was on Feb.21-28 We did a total of 396 vasectomies in Cebu City, Danao City, Lapu-Lapu City Jail, Manila, and Badian, Cebu As usual we have diverse "guests" vasectomists from the USA, Canada, Australia.

Philippine domestic team does free vasectomies year round and is fully funded by NSVI.

Above: Dr. Jack Chang demonstrating techniques to Dr. Nenita Bondoc and Dr. Glen Alquino.

Above: Vasectomists and staff at Mary Johnston Hospital. Frohnie Cagalitan is joined by Myrna & Jun Danuco, Doug Stein, Ramon Suarez, Jack Chang, Jay Buenafe and John Abaño

Manila Mission

Right: Dr. Ullysses Quanico and Dr. Antonio Jose with Dr. Ramon Suarez at work.

Cebu Mission

The NSVI team lectured at the Southwestern University School of Medicine in Cebu City, Philippines to a rapt audience of medical students.

Above: Dr. Peter Aznar, Dean of SWU School of Medicine honored for his support. Plaque presented by Dr. Doug Stein, Dr. Ramon Suarez, and Engineer Bob Kiamco

Above: Dr Alex Limkakeng awarded for his undying support.

Lecture & Awareness Campaign

Right: Nurse Myrna & daughter Rosemyrn always ready to work.

Left: Edgar Cagalitan and Jun Danuco, active domestic campaign awareness volunteers

Right: Dr. Benita Kiamco, Frohnie & Ed Cagalitan bring the message of No Scalpel Vasectomy International (NSVI) to several provinces in Cebu.

Vasectomies were performed in clinics, hospitals, and even in a chapel at Lapu-Lapu City Jail.

Australian Nat Sheehan & Allison Greives busy working together in the background. While Drs. Jack Chang, Jay Buenafe, and John Abaño were busy performing vasectomies.

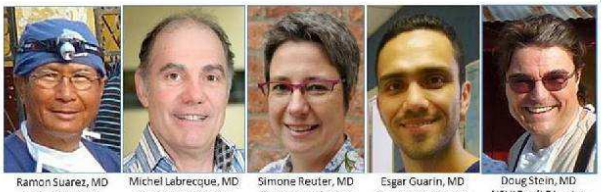
Above: Dr. Nick Demediuk watching daughter Sarah, with Lucy Demediuk, Chirag Patel, & Tim Zola in the background while Nenita Suarez taking notes.

Right: Dr. Joe Alesna performing vasectomy in the chapel. We provide education & vasectomy services to interested inmates.

Haiti

NSVI went to Haiti in March of 2017. The team performed vasectomies on 128 men who had fathered a total of 690 children.

In June of the same year, NSVI returned to Haiti and conducted 146 vasectomies in 3 days including 3 patients with hernias and 3 patients with huge hydroceles.



Ramon Suarez, MD
NSVI President
Naples, Florida

Eugene Rodeline
Counselor
Ft. Bourgeois

Judelande Jerome
ULS Nurse/Educator
Ft. Bourgeois

Vildor Pierre
Lead Facilitator
FB & Cap Haitien

Dr. Michel Labrecque, a world-renowned vasectomy scholar and trainer, continued the training of three Haitian doctors. Also on the team were Ramon Suarez, Simone Reuter, Esgar Guarin, and Doug Stein.. Notice that we had a Filipino-American, a French-Canadian, a German-Brit, a Columbian-American, and a German-American.

NSVI funds a domestic team in Haiti that provides free vasectomies throughout the year.

Above: NSVI president, Ramon U. Suarez,MD,FACS, watching Dr. Michelle Shelly from Goshen, Indiana performing a "bloodless" No-Needle No-Scalpel Vasectomy (NNNSV).

Above: Dr. Monteith training local Haitien physician, Dr. St Vil. He is ready to perform NSV by himself at our next mission in Oct. 2017.

Above: Happily returning to Miami airport after doing 146 vasectomies in 3 days including acceptors with 3 large hernias and 3 extra large hydroceles.

Right: Another outstanding NNNSV surgeon from Highlands, TN, Dr. Greg Griffith. Great pleasure working with a board certified urologist.

Above: Huge hydrocele rarely or perhaps never seen in the US.

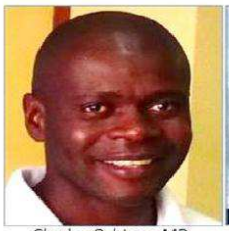
Haiti

Above: Patient showing off his 50 Fl Oz hydrocele after his vasectomy.

Left: Dr. Maudelin Mesadieu, Director Vasectomist of NSVI domestic team receiving a donated Madajet.

Kenya

The Kenya domestic team, fully funded by NSVI, provides free vasectomies year-round.

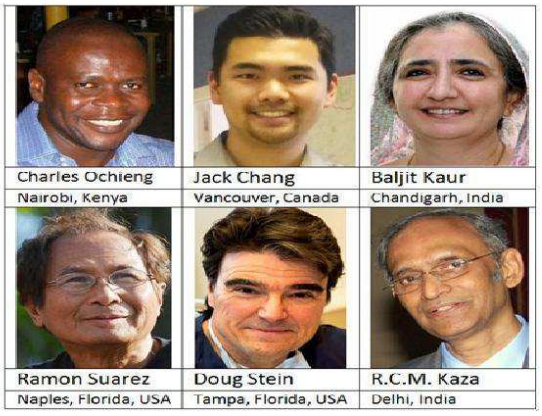


Charles Ochieng, MD
Kenya Program Director
Nairobi, Kisumu, Busia

Lilian Omollo
Program Coordinator
Kisumu & Busia

Judith Karia
Program Coordinator
Nairobi

In 2016, Dr. Doug Stein and Dr. Ramon Suarez returned to Kenya for World Vasectomy Day. NSVI has been funding Dr. Charles Ochieng in Nairobi and Kisumu for several years, and the team enjoyed seeing the progress of Dr. Ochieng. Dr. Jack Chang flew in from Canada, and Dr. Baljit Kaur and Dr. RCM Kaza flew in from India. The Indian physicians were sponsored by NSVI also. The team performed 73 vasectomies, including 53 on World Vasectomy Day.



Charles Ochieng	Jack Chang	Baljit Kaur
Nairobi, Kenya	Vancouver, Canada	Chandigarh, India
Ramon Suarez	Doug Stein	R.C.M. Kaza
Naples, Florida, USA	Tampa, Florida, USA	Delhi, India
